

Welcome to ST Math with Ms. Haygood

I hope you have had a great summer, and you are ready to get back to school and LEARN! I am confident you will have a fantastic year.

Teaching is an absolute passion of mine! I am so excited to work with you and your parents. It is going to be a year full of fun, learning, and lots of adventures. I have been planning lessons and activities that will challenge you to grow both academically and socially.

This is my 37th year of teaching in the Macon County School System. I graduated from Tuskegee University, and I am the youngest of ten siblings. I am a member of Delta Sigma Theta Sorority, Inc., Daughters of Isis, Eastern Stars, and Iota Phi Lambda. I am the proud mother of two children Dr. Shyannon Haygood and Lawrence Haygood III who are both graduates of Auburn University. Some of my favorite things include:

- Color: red
- Foods: chicken wings, salmon, pizza, salad
- Drink: Canada Dry Ginger Ale
- Hobbies: attending football, basketball, and baseball games; spending time with my family

I look forward to meeting each of you, and I know we will have a great year together!
